7.1.1 Annual gender sensitization action plan

Gender equity refers to "Fairness of treatment for women and men, according to their respective needs", whereas gender equality refers to "when people of all genders have equal rights, responsibilities and opportunities". Women empowerment and gender sensitization are one of the important priorities at Clara's College of Commerce. We try to inculcate the caring, responsible attitude among the stakeholders of the college towards all genders. We have made the gender policy of the College and uploaded it on the College website.
