Report on Blended Learning- A Stepping Stone to enhance Digital Learning

Date: 23/08/2022

FDP/SDP : FDP

Objective: To create awareness among the students about NSS and to explain the role of them in various activities.

Number of Participants: 19

Organizer: IQAC in association with Clara's College of Education and CWC Law College

Objective: To understand the concept and need of blended learning in education in today's digitalization world.

Report

Blended learning is a combination of offline and online education which enables students to interact with the instructor, and other students both through physical classroom and online platforms. As Covid-19 forced the requirement for social distancing, this outcome hit every sector significantly, which includes education. Students and teachers faced diverse challenges in these difficult times of Covid, giving rise to methods that can help avoid social interaction and at the same time, ensure the continuation of quality education. Students and educational institutes were forced to adopt distance learning methods like e-learning, virtual classrooms, online repositories, etc.

IQAC of Clara's College Of Commerce in association with Clara's College of Education and CWC Law college organized a Faculty Development Programme on Blended Learning- A Stepping Stone to enhance Digital Learning " on 23rd August 2022 ,by a Dr. Ratnaprabha Rajmane , who is principal of Clara's College of Education was a resource person. In the welcome address, Mrs. Jisha Verghese , gave an introduction on the program and introduced the participants to the theme 'Blended Learning- A Stepping Stone to enhance Digital Learning'.

In the 1st session , Dr. Ratnaprabha Rajamne said that in Blended Mode of Teaching and Learning, the role of a teacher changes, from being just an education provider to a trainer and a guardian. Role of teacher in Blended Learning environment is not limited to the "Sage on the Stage" but becomes Creator, designer, and supporter of teaching-

enging to design new experiences combining in-class and out-of-class activities
several resources, digital and non-digital learning materials. In the second session
chers of Clara's College Of Education given live demonstration of blended learning
ducation .

session concluded with a short question and answer session followed by vote of
ks proposed by Mr. Shripad Joshi.

Outcome: Participants understood the concept and need of blended learning in
ducation in today's digitalized world.

Report on 'A Session on Preparation of SSR And Documentation of SDP & FDP'

Date: 20/10/2022

Venue: IT Lab

SDP/FDP: FDP

Name of the resource person: Dr. Sujatha Dhokate

Objectives: -

1. To understand the procedure of submission of SSR for NAAC.
2. To prepare documents and proof regarding various criteria of NAAC.

No of Beneficiaries: 17

Organizer: IQAC

Report: -

Dr. Sujatha Dhokate, the coordinator of IQAC from Malini Kishore College of Commerce & Economics, Vile Parle was the resource person who conducted the session on Preparation and Documentation for SSR.

First of all, Sujatha Ma'am has informed us about her experience with the preparation of SSR, DVV, and the submission of IIQA along with the visit of the NAAC peer team. Ma'am suggested that for Criteria II, Teaching Learning evaluation is very important as the college has secured less scores in these criteria. For criteria I, III, and V it is also very important to secure a higher score from NAAC. Documentation is a pre-requisite for each criterion, without documentary proof we can't claim anything. About 70% score is calculated by the software of NAAC, and the remaining 30% score is calculated by the peer team when they visit the college. Visiting the NAAC peer team is very crucial as they verify each and every file of different criteria. They visit all the departments. Departments and committees have to keep files ready for verification.

The Principal and Coordinator of IQAC are required to prepare a presentation and present the same. At the end of the session, the teachers asked doubts and the resource person cleared the doubts of the teachers. The session ended with a vote of thanks given by Dr. Babita Kanojia.

Outcome: This session was useful and beneficial to the teachers in preparing SSR documents.

Organizer: Big Bang Theatre and Clara's College of Commerce

REPORT

Clara's College of Commerce in association with Big Bang Theatre organized a Day Seminar on Indian and Western Theatre on the topic "Contribution of Scriptures in Acting" on 27th June 2022, 9:45 am in the 5th Floor Auditorium. The main objectives behind organizing the seminar were to acquaint students with the Indian and Western Theatre and to imbibe the knowledge of the Scriptures in context. Prof. Suresh Bhanubaj, National Sangeet Natak Akademi Awardee, Sri. Rajeshri Shirke, National Sangeet Natak Akademi Awardee, Sri. Pramod Pawar, Renowned Film and Theatre Personality, Sri. Akashadiya Lamm, President, Big Bang Theatre, Dr. Madhukar Gite, Principal of Clara's College of Commerce, Mrs. Ratnaprabha Rajmane, Principal of Clara College of Education, Prof. Chetan Mishra were present on the day.

Mr. Chetan Mishra introduced all the speakers at the outset of the Programme. Dr. Madhukar Gite and Mrs. Ratnaprabha Rajmane welcomed the guests. Dr. Madhukar Gite delivered an introductory speech covering the importance of body language in acting in consideration of scriptures. He talked about 'The Nāṭya Śāstra', which is notable as an ancient encyclopaedic treatise on the arts. He deliberated on how it has influenced dance, music, and literary traditions in India. He also discussed the aesthetic "Rasa" theory, which asserts that entertainment creates the desired effect in performing arts.

Sri. Pramod Pawar, Renowned Film and Theatre Personality demonstrated the use of pauses, voice modulations, and body language in his speech. He advised students to work on their breathing carefully for effective dialogue delivery. He referred to certain scriptures while giving examples and focused on the importance of voice modulation. He referred to the Sanskrit language as one of the major mediums to understand scriptures. He mentioned the importance of "Sadhana" (Dedication) in the work and understanding characterization. He also mentioned the renowned theatre artist Bhakti Barve for her excellent performances in this connection. He retorted that learning scriptures are mandatory to learn the theatre in a better way.

Smt. Rajeshri Shirke, National Sangeet Natak Akademi Awardee talked about the importance of "words" in the dialogues and stated that expressing those words through acting is very important. Her lecture was full of anecdotes and performances. She expressed through her performance instead of understanding theatre in association with scriptures. Her Mahabharat and other famous acting in her performances were so excellent that the participants could understand the value of acting in her performances. She also shared her experiences of learning the

theme of the 'change of the colours' in acting. She facilitated students by telling them the importance of *Sau ikta, Shuddhi, and Charitra* in understanding acting.

Prof. Suresh Bhardwaj, National Sangeet Natak Akademi Awardee discussed the importance of expressions in acting and stated the need for documentation of acting in the form of books by artists after their experiences in this field for 30-40 years. He stressed ways of acting and focused on concepts like prompting, scripting and rehearsal.

Mr. Chetan Mathur proposed a vote of thanks. All faculty and volunteers worked for the smooth execution of the programme.

All the experts gave thorough knowledge of the topic. Students were enlightened with the different approaches to acting.

The total numbers of beneficiaries:

Report

Under the Swaccha Bharat Abhiyan , N.S.S. Unit of Clara's College Of Commerce , in association with Jay Foundation organized Beach clean-up drive on 31st July 2022 at Versova Beach ,

Mr. Jay Shringarpure, founder of Jay foundation briefed the volunteers about different kinds of waste. Further he divided the volunteers into five main groups that collected various kinds of waste.

Mr. Shringarpure enlightened he gathering about waste and told the volunteers that one person's garbage ends up being someone else's responsibility. Large numbers of plastic covers and wastage were collected by the volunteers and kept the beach area clean and neat. Volunteers have collected 120-130 bags of garbage which weighted around 25kgs each.

Outcome: The drive left the volunteers pondering upon how waste can drastically harm the environment.

Clara's College of Commerce conducted an Add on course on Website Development from 20th June, 2022 to 2nd July, 2022. Following were the objectives of this course:

Objectives:

1. Use their learned skills, knowledge and abilities to develop web sites for the internet.
2. Apply basic design principles to present ideas, information, products, and services on websites.
3. Apply basic programming principles to the construction of websites.
4. A website course objective is used to organize specific topics or individual learning activities to achieve the overall learning outcome.
5. Course objectives reflect specific knowledge, skills, abilities, or competencies that instructors expect students to acquire from a particular course.

Report:

Sessions were conducted from 10:00 am to 1:00 pm (03 hours) everyday, following topics have been covered each day:

1. Introduction to web development
2. Website structure and hosting
3. Progressive web apps (PWAs)
4. Express framework, building scalable web applications
5. Multimedia and its applications
6. Web technologies
7. Computer graphics

- B. Web Applications
- 9. HTML & CSS
- 10. Database

Web development typically refers to the coding and programming side of website production. When you learn web development, you might start out writing a simple page of HTML text and build up to creating more complex, feature-rich applications designed to be accessed from various internet-connected devices.

Most introductory web development courses aim to teach the basics of HTML, CSS, and JavaScript. These three languages form the foundation upon which all websites are built. Taking a web development course is an exciting opportunity to learn the basics of HTML or HyperText Markup Language.

Web development is the work involved in developing a web site for the internet, or an intranet. Web development can range from developing a simple single static page of plain text to complex web-based internet applications, electronic businesses, and social network services.

Outcome:

1. Enabled the learner with practical skills.
 2. Analyze and finalize books of accounts.
 3. Understand the concepts of Design and develop Application Programming Interfaces (APIs)
- Meet both technical and consumer needs for a web development project.

Report

Clara's College of Commerce virtually attended **A Session on Pariksha Pe Charcha by Hon. Prime Minister Narendra Modi** on 27th January 2023 10.00 am in the IT Room. The objectives of this session were to make the students stress-free during exams, to make them aware of the importance of exams and motivate them to be ready for the exam.

Pariksha Pe Charcha is part of the larger movement - 'Exam Warriors' - led by Prime Minister Narendra Modi, to create a stress-free atmosphere for youngsters. It is a movement that is driven by Prime Minister Narendra Modi's efforts to bring together students, parents, teachers and society to foster an environment where the unique individuality of each child is celebrated, encouraged and allowed to express itself fully inspiring this movement is Prime Minister Narendra Modi's path-breaking.

Hon. Prime Minister Narendra Modi gave a success mantra to the students in this session. He told them to work on time management for the exam, which eventually will help them to succeed in life. The Prime Minister urged everyone to put exams in the right perspective, rather than making it a life-and-death situation punctuated by undue stress and pressure. He stated that learning should be enjoyable, fulfilling and an endless journey. Faculty and students attended this session on YouTube in the IT Room on 4th Floor.

Report

The workshop on 17th Aavishkar Research Convention was organized by Ramchand Arya D.A.V. College, Bhandup, Mumbai in association with Department of Student's Development, University of Mumbai on July 28, 2019, Friday. The workshop was attended by Mr. Reetesh R. Singh and Mr. Zulfan Kamaludding Shaikh (student- SYBCOM). The workshop was basically focused to make participants aware about the recent changes that were made after covid pandemic in the procedure of conducting Aavishkar.

In 17th Aavishkar Research Convention, Dr. (Mrs) Minakshi Gurav discussed various aspects about the convention.

It was informed that students of the University of Mumbai are allowed to participate in any of the following categories irrespective of their own discipline / programme / course.

The six categories were

1. Category 1: Humanities, Languages and Fine Arts
2. Category 2: Commerce, Management and Law
3. Category 3: Pure Sciences
4. Category 4: Agriculture and Animal Husbandry
5. Category 5: Engineering and Technology
6. Category 6: Medicine and Pharmacy

The students can participate in any of the above categories in the following levels where fit eligible-

Levels

Level 1: Undergraduate Students (UG)

Level 2: Postgraduate Students (PG)

Level 3: Post PG Students (PPG)

1. Writing the Title of research: Title must be clear, self-explanatory and relevant to study.
2. Selecting colors for slides in PowerPoint: contrasting colors to be chosen, large font with different colors to be used to highlight important points.
3. Writing abstract: abstract should contain a bit description of research with findings and Keywords.
4. Making posters: be creative in attracting people, pictograms should be used wherever needed, posters should include-project title, introduction, objectives, research methods, hypothesis, results conclusion, recommendation, references and acknowledgement. The measurement of the poster must be 1 x 1 metre.
5. Presenting the topic: time management to be done effectively, complete in time, not to argue with judges and explain the best things of your research.
6. Language of Presentation: English, Hindi, Marathi or mixture of all three can be used.
7. Selecting area of research: area can go interdisciplinary, should be for the betterment of humankind and society.
8. Writing references: suitable styles to be used, should be authentic.
9. Selecting statistical tools: tools should be used depending on study like quantitative or qualitative.
10. Data: technical details/ research papers / Books to be kept in separate files (in case needed to show to the technical expert).

The basic aim of Avishkar Research Convention is to inculcate the scientific temperament in students so that they can create a better world for tomorrow.

The workshop ended with a vote of thanks to the chair.

Title: "Workshop -Self Defense"

Name of Resource Person: Mr. Sharif Bapu

Objectives: To acquaint girls with counter attack moves,

No. of participants: 66

Organiser: WDC

The Women Development Cell of our college organized a self-defence training workshop for girls students on 17th of Jan, 2023. The girls from Programmes- B. Com, B.M.S. B.A.F. B.A.M.M.C have participated in the workshop.

Mrs. Jisha Varghese (Incharge of WDC) introduced Mr. Sharif Bapu and welcomed him as a trainer for the workshop. The girls warmly welcomed Mr. Sharif Sir and his co-trainers. He discussed the present scenario of increasing violence against women, and few girls shared their problems faced while travelling through bus, railways. The discussion led by Mr. Sharif made girls realize the need of getting trained with effective tactics. He explained the concept of becoming your own bodyguard. He advised the importance of observing people around them while travelling. The topic of prevention of girl abuse was also discussed, so that the students could guide their younger siblings and classmates.

Mr. Sharif Bapa and his co-trainers have demonstrated certain techniques to be followed when a stranger wants to touch by taking advantage of crowds in Bus or Rail stations; use of elbow to hit. The demonstration was also performed and experienced by volunteer girls. Girls tried the tactics taught by trainers. They practiced demo fighting with trainers first and then practiced with their friends. The trainers taught the girls many self-defence tricks and techniques to develop confidence in them. It was a power booster workshop packed with information and training.

The session concluded with a vote of thanks.

Report on Online Add on Course on Financial Literacy

Date: 10th November to 21st November 2022

Duration : 30 hours

SOP/FDP: SOP

Class: all Classes

Mode: Online

Number of Participants: 75

Department : IQAC & All Departments

Objective: The college provides an array of Add-on opportunities to the students, with the central objective of supplementing their academic curricula even as they pursue their own university courses within the stipulated period. The objectives of the financial literacy short-term course are to increase participants' awareness of financial concepts, enhance their practical skills in budgeting and money management, foster a responsible attitude towards financial decision-making, build confidence in dealing with financial matters, prepare them for future financial planning, promote economic empowerment, and encourage lifelong learning. These objectives collectively aim to empower participants with the knowledge, skills, and mindset necessary to navigate the complexities of personal finance successfully and achieve financial security and well-being in the long term.

1. Introduction

This report provides an overview and assessment of the 10-days online Add on Course on 'Financial Literacy' conducted at Clara's College of Commerce for all classes. The course was a 10 days short term course from 10th November to 21st November 2022. The program, led by Dr. Advait, a renowned expert in finance and economics, brought a wealth of knowledge and practical insights to the course. With advanced degrees in finance and years of experience in academia and industry, Dr. Advait was well-equipped to guide participants through the complexities of financial literacy. His expertise and passion for the subject ensured a comprehensive and enriching learning experience for all participants. We aimed to equip participants with essential knowledge and skills in personal finance management, investment strategies, and understanding economic trends. The duration of the course was 30 hours. Around Seventy - Five (75) students enrolled in the course, and all students successfully completed the course.

2. Course Structure:

The course spanned over 10 days and covered a diverse range of topics crucial for understanding financial concepts and practices. Each day focused on a specific aspect of financial literacy, including:

Over the span of ten days, participants will embark on an immersive journey into the realm of financial literacy. Each day of the program is meticulously designed to cover essential topics, starting with an introduction to financial literacy on Day 1, providing participants with

foundational knowledge. Day 2 delves into budgeting and money management, equipping individuals with practical skills to manage their finances effectively. Banking and financial services are explored on Day 3, followed by a deep dive into understanding credit and debt management on Day 4. As the program progresses, participants gain insights into Investment Basics on Day 5 and an Introduction to the Stock Market on Day 6, laying the groundwork for informed financial decision-making. Day 7 shifts focus to Retirement Planning and insurance, essential components of long-term financial security. Taxation and Financial planning take center stage on Day 8, guiding participants through the complexities of tax systems and strategic financial planning. Economic trends and Market Analysis are addressed on Day 9, providing participants with tools to interpret market dynamics and make informed investment decisions. The program culminates in a comprehensive wrap-up and Review on Day 10, allowing participants to reflect on their learning journey and solidify their understanding of key concepts. Through this structured approach, participants emerge with heightened financial literacy and the confidence to navigate various aspects of personal finance adeptly.

3. Learning outcome:

Participants in the course gained essential skills in personal finance, including budgeting, banking, credit management, and investment strategies. They learned to analyze stock market trends, plan for retirement, optimize financial planning, and interpret economic indicators. This comprehensive learning empowered them to make informed financial decisions and secure their financial futures effectively.

Feedback from participants was overwhelmingly positive, with many expressing appreciation for the practical relevance of the course content. Participants found the interactive sessions and real-life examples particularly helpful in understanding complex financial concepts. Suggestions for improvement included incorporating more hands-on activities and providing additional resources for further learning.

The 10-Days Add-on course on financial literacy at Clara's College of Commerce was a resounding success, empowering students with essential knowledge and skills to navigate the complex world of finance confidently. The program's comprehensive curriculum, experienced faculty, and interactive teaching methods contributed to its effectiveness in achieving its objectives. Such initiatives play a crucial role in promoting financial awareness and fostering responsible financial practices among the youth.

Mode: Offline

Number of Participants: 60

Department : IQAC & All Departments

Resource Person: Ms. Qudsia

Objectives:

1. It helps companies record their day-to-day transactions and helps to analyze business-related data.
2. Financial accounting: Tally is an accounting package that can be used to learn how to maintain accounts.
3. Industry and career orientation: Get an introduction to the industry and get career orientation.

Report:

Sessions were conducted from 11:00 am to 2:00 pm (03 hours) everyday, following topics have been covered each day.

1. Accounting fundamental
2. Goods and services tax
3. Company formation
4. Balance sheet
5. Ledgers
6. Printing of cheque
7. Bank reconciliation
8. Credit limit
9. Principles of taxation and TDS and its calculation
10. Accounting, Inventory, Taxation, Billing, GST, Payroll and Inventory management.

Tally is a software package for accounting originating from India. It was first released in the 1990s as an MS-Dos-based program. The latest version is Tally 9, which offers more features for businesses of varying sizes and has updated GST functions. Although described as accounting software, it does far more than that. ERP stands for Enterprise Resource Planning, so Tally.ERP monitors all the day-to-day business data and resources of an organization or company. It has the power to integrate accounting functions with finance, inventory management, payroll, production, purchasing, and sales applications.

Tally.ERP has many attractive features and advantages for users. It supports multiple languages simultaneously, which is vital for organizations with employees in numerous countries. The accounts can get entered in one language, and reports generated in others. Tally also can create and maintain accounts for up to 99,999 companies, automate employee records, and consolidate financial records. In addition, Tally offers some distinct advantages. The licensed software is inexpensive, easily implemented, and customized. It supports multiple operating systems and does not need to be run exclusively on one or the other.

Because of its comprehensive nature, consolidating many aspects of an organization's finances into one program, there are many career prospects linked to Tally. Primarily, accounting careers like senior accountant, junior accountant, freelance accountant, and accounts executive might come to mind. However, Tally may also get used by professionals who manage an organization's resources.

Outcome:

1. Enable the learner with practical skills of Accounts/Audit/Tax.
2. Analyze and finalize books of accounts.
3. Understand the concepts of GST along with practical training on Tally.
