REPORT

Research Committee in association with IQAC and All Departments of Clara's College of Commerce, organized "A Short Term Certificate Course on Research Techniques" from 20th September to 30th September 2021. The course was aimed to introduce the concepts of research methodology and to enable the budding researchers and the professionals to develop statistical reasoning. It also aimed to familiarize the participants with software such as Statistic and SPSS. A great enthusiasm was observed from the participants' side who came from different institutions across the region. The course comprised of 10 sessions which were highly informative and acquainted the participants with vast knowledge and provided them a practical exposure in applying the different tools and methods to their research problem. Experts from various institutions were invited to deliver talks on various topics like Research Objective, Recent Research area in Commerce and Management, Data analysis and Interpretation, Designing Questionnaire, Data Retrieval, Pen & SWORD: Writing Toolbox, Referencing and Review of Literature. An online Evaluation Test for participants for the course that was attended by them from 20th Sep 2021 to 29th Sep 2021 on 30th September 2021 at 11.30 am through zoom platform. The link for the Evaluation test was shared with the participants on their e-mail id. The maximum time allotted for the test was 30 minutes. After the completion of the test, our principal Dr. Madhukar Gite shared his encouraging words to all participants and thanked all the participants and team members for their efforts in making the course a grand success. Dr. Mamata Rajani (IQAC Coordinator) briefed the participants with the summary of all that has been learned throughout this course.

Many participants shared their experiences about the course and appreciated the efforts taken by college to make the course a grand success.

REPORT

Clara's College of Commerce organized an online Session on One Day National Webinar on "Intellectual Property Rights-A Key Aspect for Economic Development" on 20th August 2021 at 11.30am through zoom platform for the students and faculties. The main objectives behind organizing this event were to sensitize everyone regarding Intellectual Property Rights and to create awareness about its legal prospective and importance in economic development.

CS Bhumi Tolia, (CS, MBL,LLB), Author for S.Y.B.Com, BBI, BMW, BFM on the subject business law and Vice president for human rights and social justice commission was the speaker for the session. The session dealt with creating awareness about the need and importance of Intellectual Property Rights (IPR) relating to economic development. The lecture was well structured and covered various aspects on Intellectual Property Rights (IPRs).

She has discussed the idea about the antecedents of IPR, narrated various issues of it and later on focused on the immerging issues on IPR. She discussed various statutory provisions of the India and WIPO initiatives to overcome the problems. She has also thrown light on Drafting Patent and Patent Prosecution in India.

Relevant queries were raised from the side of student and faculty delegates. They got justified answers from the speaker. The interactions were very relevant and meaningful. Participants would be benefitted with this event.

The program ended with a vote of thanks by a committee member.

IQAC Coordinator Dr.Mamta Rajani organized activity as an in charge and

anchored the programme.

The numbers of beneficiaries were

Category	Male	Female	Total
Students	13	17	30
