## **A BRIEF ON THE INSTITUTION :**

The Children Welfare Centre Trust is the careful effort of the city's distinguished residents who recognized the need of having top-notch educational facilities close by. It was formally registered in accordance with the 1950 Public Trust Act. With full-fledged operational Pre-Primary School, Primary School, High School, Junior College, Degree College, B.Ed. College, and Law College at Malad (W), the institution is ideally situated in the quickly developing Andheri area. In 1999, Clara's College of Commerce was founded in honor of the late, distinguished educationist Smt. Clara Kaul. The college is permanently affiliated to the University of Mumbai. The NAAC has recently re-accredited college with "B+" Grade in 2024. The college is also included in 12(b) and 2(f) of UGC.

## **THE COLLEGE HAS FOLLOWING PROGRAMMES :**

- 1) Bachelor of Commerce (B.Com)
- 2) Bachelor of Commerce (Management Studies) (B.Com-MS)
- 3) Bachelor of Commerce (Accounting and Finance) (BAF)
- 4) Bachelor of Arts in Multimedia and Mass Communication (BAMMC)
- 5) Master in Commerce (M.Com) (Advance Accountancy).

The aim of college is to constantly improve its teaching strategies so that students can have the opportunities to grow holistically. In order to help them become the best professionals in their chosen fields, it also aims for academic achievement and tries to foster an environment that inspires a love of learning as well as the ability to think critically and evaluate situations.

## **ABOUT THE UNIVERSITY OF MUMBAI:**

The University of Mumbai (known earlier as University of Bombay) is one of the oldest and premier universities in India. It was established in 1857 consequent upon "Wood's Education Dispatch", and it is one amongst the first three Universities in India. It has two campuses of areas 243 acres and 14 acres at Vidyanagari and Fort respectively, sub campuses/centers at Ratnagiri 20 acres, Thane 6.50 acres and Kalyan 6.26 acres with 56 University Departments & Institutes and 691 affiliated colleges. It has established its name in industrial & International collaborations and runs various professional courses. The University was accorded 5 star status in 2001, the most recent accreditation of the University of Mumbai by the National Assessment and Accreditation Council (NAAC) took place in 2021, where the university was awarded an A++ grade with a score of 3.65 out of 4. This is the highest possible rating, reflecting the university's exceptional standards in academics, research, infrastructure, and student support services.

## **ABOUT THE CONFERENCE:**

AI can drive sustainable development by optimizing resource management, enhancing energy efficiency, improving agriculture, supporting climate action, and enabling data-driven decision-making to achieve global sustainability goals and promote equitable growth. Clara's College of Commerce has planned to discuss the aforementioned issues. In the purview of this , the college has organized a one day International Multidisciplinary Conference on "Role of AI in Sustainable Development" in collaboration with the University of Mumbai. The upcoming conference on the "Role of AI in Sustainable Development" will examine how AI may advance constructive solutions to global issues like resource management, reducing poverty, improving agricultural output, and supporting climate action .

To address cutting-edge AI solutions that optimize energy consumption, increase GDP, support circular economies, and expedite sustainable urban development, experts from academia, and industry will convene. The conference will showcase AI's ability to serve the Sustainable Development Goals while guaranteeing ethical concerns through keynote talks, research articles, and case studies. Along with discussing how cutting-edge algorithms and machine learning may enhance decision-making for a more sustainable future, participants will also examine the nexus between AI and data science. This occasion provides a special unique opportunity to collaborate, exchange ideas, and shape the future of AI-driven sustainability efforts worldwide.
