Subject: Acceptance of Proposal for Road Safety Project (2024-2025)

Dear,
Swapnil Shirsath,

I am writing on behalf of Clara's College Of Commerce, affiliated to Mumbai University, to express our gratitude for considering Clara's College Of Commerce as a partner in your Road Safety Project for the academic year 2024-2025.

After careful consideration of your proposal and objectives outlined for the Road Safety Project, we are pleased to inform you that Clara's College Of Commerce enthusiastically accepts the collaboration offer. We believe that initiatives focusing on road safety are crucial in today's environment, and partnering with your esteemed NGO aligns with our commitment to community welfare and educational excellence.

We acknowledge the importance of creating awareness among our students and faculty about safe driving practices, traffic rules, and emergency response protocols. Your proposed activities, including workshops, seminars, and skill development sessions, are well-aligned with our educational goals.

Clara's College Of Commerce is committed to actively supporting the implementation of the Road Safety Project. Our contributions will include providing access to campus facilities, endorsing the project to our students and faculty members, and collaborating on integrating relevant aspects of the project into our curriculum where feasible.

We look forward to working closely with Public Concern for Governance Trust to ensure the success of this initiative and make a positive impact on road safety awareness within our community.

Thank you once again for choosing Clara's College Of Commerce as your partner. We are confident that our joint efforts will yield significant benefits for all stakeholders involved.

Yours sincerely,
