### **MINORITY CELL**

#### **Introduction:**

In order to empower the minority groups on campus, the college formed a minority cell in 2018. The college has shown a strong desire to support the cultural and educational needs of the minority community. In essence, the Minority Cell supports the academic growth of minority students, such as Christian, Muslim, Jain, Sikh, Buddhist and others.

#### **Vision:**

In order to attain equality and social justice, to supervise the efficient execution of policies and programs for the underprivileged groups and to serve as a source of support by offering academic and financial support.

#### **Mission:**

To help the underprivileged perform better, give them advice and direction on social, academic, and economical issues.

#### **Objectives of the Cell:**

1. To encourage minority students to take optimum benefits of programmes and schemes offered by the college.
2. To gather data regarding admissions to candidates from minority classes in the college for various courses.
3. To create awareness among minority students regarding various scholarships provided by the government.
4. To provide remedial coaching to minority students.
5. To serve as a Grievances Redressal Cell for minority students, providing them with the assistance they need to resolve their academic grievances.
