Report

"Just living is not enough, one must have sunshine, freedom, and a little flower." – Hans Christian Andersen.

Nature is God's most beautiful creation. It felicitates the growth, development, and nourishment of all its creatures. They produce oxygen, clean soil, prevent drought, control flood-related disasters, prevent soil erosion, improve physiological, mental, and spiritual health, and also reduce carbon footprints. Keeping this in mind the tree plantation drive was initiated by the NSS Unit of Clara's College Of Commerce in association with the Children Welfare Centre and EkataManch on 9th July 2022 at JawaharTarachandKaulUdyan , Versova.

The event began with the welcoming of the guest Honorable Mr. Mukesh Pawar, BMC Officer, Versova Ward. He advised the volunteers to think differently for Society to make positive changes and make improvements. He urged the volunteers to ensure proper care of the saplings. After the inspirational words of the guest and Principal, we all moved toward the place where the tree plantation took place. The very first tree was planted by Mr. Mukesh Pawar. Total trees planted by all others including teachers, volunteers, and local people were 20 on the day.

All were happy and experience proud after the tree plantation event was finished because it really feels great to do positive for nature. Such little steps taken together by the students will surely help in fostering strong mental and social health amongst today's children so that they connect with their peers, their elders, their community, and their environment.

Outcome:

The Tree planting event created a sense of awareness about the benefits of trees and fostered environmental sensitivity in them. It also brought them closer to the environment.

He discussed the present scenario of increasing violence against women, and few girls shared their problems faced while travelling through bus, railways. The discussion led by Mr. Sharif made girls realize the need of getting trained with effective tactics. He explained the concept of becoming your own bodyguard. He advised the importance of observing people around them while travelling. Mr. Sharif Bapu and his co-trainers have demonstrated certain techniques to be followed ; like what to do when a stranger wants to touch by taking advantage of crowds in Bus or Railway stations; use of elbow to hit. The demonstration was also performed and experienced by a few volunteer girls. Girls tried the tactics taught by trainers. They practiced demo fighting with trainers first and then practiced with their friends. The trainers taught the girls many self-defence tricks and techniques to develop confidence in them.
