## RESEARCH POLICY

### Introduction:

In lines with the Vision and Mission of our institution, it is imperative

-to promote value-based education with new and innovative ideas.

-to grow aesthetically rich and become intellectually aware by conducting research.

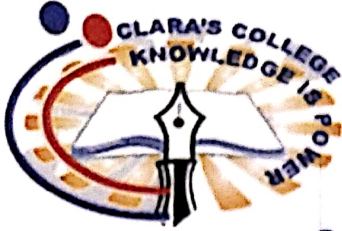

### Purpose:

The research policy of the college aims to create and support a research culture among its teachers, staff and students.

- to leverage it for enriching and enhancing the professional competence of the faculty members; for developing and promoting scientific temper and research aptitudes of all learners.
- to establish linkages with their research organizations and Industries to identify the potential areas of research and survey.
- The research policy represents a framework for the management, support and development of research at college.

### Objectives:

- a. To create an enabling environment within the College in order to foster a research culture as well as provide required support through research framework and guidelines.
- b. To ensure high level of efficient and effective support system to facilitate faculty and researchers in their research activities.
- c. To create awareness and opportunities in R&D among the students and faculty and to create research culture in every department.
- d. To undertake research activities and development projects offered by agencies such as ICSSR and University of Mumbai.
- e. To assist for applying and receiving funds for conducting Seminars /Workshops/FDPs from various available funding agencies.

## Funding:

1. Facilitates the faculty in undertaking research by providing seed money (funded by the management).
2. Encourages minor and major projects for both faculty and students for their holistic development.
3. Management shall provide financial assistance to faculty as well as students for participation and publication of research articles and papers in conferences / seminars.

## Benefits:

### For Faculty:

- to encourage original quality basic and applied research in the fields of commerce and all related fields.
- To build an enriched professional community.

### For Students:

- Avishkar activity is undertaken for students to enhance their research horizons.
- Encourage students to enrich their knowledge with a holistic view of research.

## Custodian:

The execution and apprising of the research policy will be executed by the Research Committee.

## Code of ethics:

- Research staff must refrain from plagiarism, deception, fabrication and falsification of results or other forms of misconduct.
- Research staff should also maintain highest integrity and acknowledge direct and indirect contribution of colleagues, research students, collaborations and others.
