**REPORT**

Clara's College of Commerce in association with the University of Mumbai organized 'Online One Day National Multidisciplinary e-Conference on Post-Covid Revival of the Indian Economy' on Saturday, 18<sup>th</sup> December 2021 through the zoom app from 10.30 am to 5.00 pm. The topic for the conference was "Post-Covid Revival of the Indian Economy". The world is somehow coming out of the dangers of Coronavirus after its massive attack. Though there is a danger of the Omicron variant after Delta, society and government hand in hand have been taking precautions to tackle the dangers from new variants. The government of India has successfully run the vaccination campaigns and

because of it, the death and infection rates have gone down. Moreover, it is to note that the Government has succeeded in creating awareness about the pandemic amongst people. Therefore, the decision of unlocking the country and bringing it back to normal is a welcome step by the Government. The educational institutes need to become a torchbearer in the society in giving directions to the people as to how can we revive our economy. By keeping this view in mind, Clara's College of Commerce organized an 'Online One Day National Multidisciplinary e-Conference on Post-Covid Revival of the Indian Economy.

Dr. Ravindra Kulkarni, Pro-Vice-Chancellor of the University of Mumbai was in the chair as a chief guest for the conference. He talked about the horrendous situations after pandemics and expected from the participant's deliberations on the revival of the Indian Economy. Dr. R. K. Taylor, Associate Professor, Department of Business Administration, School of Business and Commerce Faculty of Commerce and Management Manipal University, Jaipur attended the conference as a Guest of Honour. Prof. Dr. Kulbhushan Chandel, Chairman, Dept. of Commerce Himachal Pradesh University, Shimla (India). Was present as a keynote speaker for the plenary session. Prof. Dr. Tejinder Sharma Chairman, Dept. of Commerce Kurukshetra University, Kurukshetra was a special speaker at the conference. Prin. Dr. Gopal. Kalkoti M.V Mandali's College of Commerce and Science Chairman, BoS in Business Economics, University of Mumbai graced the occasion by moderating the conference.

The Technical Session was chaired by Dr. Kuldeep Sharma, Asst. Professor and Head, Research Center, K.B.P. Hinduja College of Commerce, Mr. Jaydev Patel, Editor in Chief, No.1 India News addressed the gathering as a chief guest for the valedictory session.

### **Inaugural Session:**

Dr. Mamta Rajani compared the online conference at 10.30 am by playing Saraswati Vandana and offering a Pooja to Goddess Saraswati virtually. Principal Dr. Madhukar Gitte welcomed and felicitated all the guests. He introduced the theme of the conference to the gathering. Dr. Gitte stated the objectives of the conference. Dr. Madhukar Gitte highlighted the current scenario of the covid situation and the revival of the Indian economy.

Prof. Dr. R.D. Kulkarni Pro Vice-Chancellor University of Mumbai chief guest of the conference stressed the severity of the pandemic. He talked about how the tourism industry has faced the hardest hit during COVID and how they are trying to survive in the market. He focused on the area

of teaching and technology. He also talked about the development of the IT sector and various software developments that gave a boost to the digital economy during Covid-19. He came up with the view that technology can help make society more resilient in the face of pandemics and other threats. His talk was highly motivating.

Dr. R.K. Taylor Associate Professor, Department of Business Administration, School of Business and Commerce Faculty of Commerce and Management Manipur University, Jaipur attended the conference, as a guest of honor. He talked about the crisis faced during the pre-Covid scenario. He also talked about robotic automation development. He deliberated on the fact that technologies are playing a crucial role in keeping our society functional in a time of lockdowns and quarantines and these technologies may have a long-lasting impact beyond COVID-19. He also focused on the fact that contactless digital payments, either in the form of cards or e-wallets, are the recommended payment method to avoid the spread of COVID-19. He reiterated that digital payments enable people to make online purchases and payments of goods, services, and even utility payments as well as to receive stimulus funds faster.
