Subject: Letter of Thanks

Dear Sir,

It gives me immense pleasure to share with you that University of Mumbai has been awarded the A++ grade and a score of 3.65, at the recently completed third round of accreditation and evaluation by the National Assessment and Accreditation Council (NAAC). This is not just the highest grade we have achieved so far, but also the highest grade ever given to any state University in Maharashtra. The excellent achievement added one more jewel in the crown of glorious tradition of 164 years of University of Mumbai.

This remarkable result is the outcome of determination, spontaneous participation, hardship, dedication and excellent performance of all our stakeholders.

Handling the emergency situation was one of important aspects of assessment and evaluation process of the NAAC. We are thankful to your goodself for providing ambulance services to us on August 24, 2021. The contribution of your college is the part of our success in the process of NAAC.

We once again appreciate and extend our special thanks for your timely help and expect the same type of co-operation in our future endeavour too.

With warm regards,

Dr. Sunil Patil
